Dear Students and Friends,

Update on Shipping Status of Awam Vajra Armor Protection Wheels

Today we would like to share updates on the shipping status of the Awam Vajra Armor Protection Wheels.

With reference to the last Facebook post on 1 June 2022 on the estimated shipping dates of 15 Jun (Asia), 22 Jun (EU) and 29 Jun 2022 (USA), we regret to inform that we are unable to fulfil the shipping of the protection wheels on these dates.

Due to the very strict covid rules and lockdowns in many Chinese provinces for the past month, our supplier faced some difficulties in shipping the protection wheels on time to our Awam Sangha in China.

At the time of this posting, we have received an update from the Awam Sangha in China on the shipping status. All pendants are already being shipped out from Yushu, Tibet, last week and will transit in Hong Kong before reaching Singapore (destination).

Therefore, our Singapore Sangha are still waiting for the arrival of the pendants. Once they receive the pendants, all orders will be shipped out without delay after packing. All buyers will receive an email confirmation with shipping number and link to track your package.

Henceforth, we seek your understanding and patience regards to delayed shipping and delivery.

However, should you feel you are unable to wait any longer and do wish to cancel your order, kindly write to awamvajraarmor@gmail.com and indicate your order number for order cancellation, we will process your refund within seven days.

Do be assured that Rinpoche is always being updated on the number of online orders and the shipping status etc. As such, in view of the delayed shipping, Rinpoche has written a short memo (<https://awamvajraarmor.com/latestmemo26jun22/>) to all buyers.

Hereby, we are pleased to share with everyone some blessed videos and photos sent to us by our Awam Sangha where they did prayers near the holy site of Yachen Gar Monastery, Ganzi, Tibet before shipping the protection wheels from Yushu, Tibet.

Each protection wheel order will be given a red cord necklace thread and a card explaining the benefits of the Vajra Armor protection wheel (currently in Chinese and Tibetan only).

We are extremely grateful and thankful to our Awam Sangha in China for their time and effort, love and care in supporting Rinpoche's Awam Vajra Armor Protection Wheel Project.

Should you have any other questions related to your order, kindly email: awamvajraarmor@gmail.com, we will try our best to assist and answer to your queries.

Thank you and best regards,
Admin
